

Thank you

You have been generous in your donations to help the families affected by Hurricane Matthew in Haiti. The Congregational Administration is happy to share with you a well-deserved word of thanks from the Bishop of the Diocese of Jérémie.

Dear Benefactors!

The DIOCESE OF JEREMIE / HAITI, through me, sends you its sincere wishes of HAPPY EASTER in Christ Jesus Risen in whom Life definitively triumphs over death, Good over evil, Grace over sin, Hope over despair, Joy over desolation...

I take this opportunity to renew our DEEP GRATITUDE to you, Dear Benefactors, for your spiritual closeness, your effective solidarity, your moral support and your material assistance so precious to the DIOCESE OF JEREMIE in the immense and challenging work of the reconstruction of everything that was destroyed by Hurricane Matthew (life, gardens, fruit trees, houses, churches, chapels, rectories, schools, etc.) ... Thanks to you, we rise again, we get up slowly, slowly, the smile returns...

May the light of Easter illuminate you so that you can continue to radiate and shine for the joy of the poorest and most vulnerable!

With my warm greetings and renewed vows of HAPPY EASTER in the Risen Jesus Christ who holds his hands stretched out on you to bless you all,

+Joseph Gontrand DÉCOSTE, SJ

COMMITMENT OF THE DOMINICANS OF THE TRINITY

Answering Pope Francis' call, the General Administration of the Dominicans of the Trinity recently moved its office from Montreal to Shawinigan and transformed its old home of *terrasse Mercure* in accommodations for refugees. The residence renamed *Foyer du Monde* (Home to the World) will be operational in early May 2017. What an inspiring action!

The Superior General of the Congregation, Raymonde Dussault, OP, invites anyone who can participate in doing so by making a donation, offering prayers or by any other action of solidarity.

The address of the residence:

Foyer du Monde
2300 terrasse Mercure
